Follow highlighted route to town and take a left onto Bow Street. At the top of the hill Bow St. ends. Take a right onto Chapel Street. Stay in the left lane and cross over Daniel Street continuing straight. At the next stop sign, take a left onto State Street and proceed in the far-right lane. Go straight at the stop sign and proceed under the bridge/overpass until you see a garage entrance. You will see several signs that say No Public Parking, this is the correct garage. Enter on the right, take a ticket and please bring into Morgan Stanley with you so that we may validate your parking. Once in the garage, you may park in any open spot not otherwise designated as resident parking. If you proceed through the garage as if exiting there are four Morgan Stanley designated parking spots on the right prior to the exit. Take the elevator up to the first floor and when exiting the elevator go right to find the entrance to Morgan Stanley.
