What an eventful month!

For our family in particular, the month of May is always a busy one. This month our kids are turning 3, 12 and 14. Also, our oldest daughter Ella, is celebrating her middle school graduation, and welcoming the high school chapter this coming fall.

May is also the month to celebrate all the special ladies that work tirelessly for all families, they somehow always make things work, even when it seems impossible! I want to take a moment to recognize and honor all mothers on their special month, everything you do, makes the difference! Personally, I'm grateful for my mother and my wife. Our family is extremely blessed!

Hope you all have a beautiful and healthy month!
