

May 2026 Newsletter

Carlos Duque, First Vice President, Financial Advisor at Morgan Stanley

As we step into May, our hearts are incredibly full. It's a month of major milestones for our family of five, and we find ourselves pausing to reflect on the beautiful, busy journey that brought us here.

This month, we are humbled to celebrate 25 years together—a quarter-century of partnership, growth, and building a life we love. Alongside that, we're watching our children reach their own significant chapters:

- Ella is turning 15, stepping into her mid-teens with grace.
- Our middle son is hitting 13, officially joining the teenage ranks.
- Our youngest is turning 4, keeping us all young at heart with his energy and joy.

Life is often a whirlwind of practices, school runs, and daily chaos, but milestones like these remind us to slow down and appreciate the people standing next to us. We are so grateful for the friends, family, and community who have supported us through every stage of these past 25 years

May Insights

On The Markets: *Living in the MO-ment*

Following a record stock market rally in April, consider additional sources of portfolio diversification like health care, gold and various scarce resources.

[May Edition](#)

AI and Jobs: *Limited Disruption So Far*

AI adoption is rising, but its impact on the labor market remains narrow, echoing past innovation cycles that ultimately expanded employment over time.
