

Morgan Stanley Online: Keeping Your Financial World at Your Fingertips

At Morgan Stanley, we've developed an integrated suite of tools and apps designed to help you manage your finances quickly and securely. Whether its staying informed about your investments, performing investment research or managing your everyday finances, Morgan Stanley Online makes it easy for you to take care of a broad range of financial needs from the convenience of your computer, phone or tablet.

Staying Informed About Your Investments

Morgan Stanley Online allows you to easily see your investment account balances, stay on top of current market data, access research and more.

VIEW YOUR TOTAL WEALTH IN ONE PLACE

Access streamlined views of your assets and liabilities, including mortgage information, aggregated from all of your financial institutions.

STAY CURRENT ON FINANCIAL NEWS

Access up-to-date news, current market data, research, company profiles and quotes.

ACCESS IMPORTANT DOCUMENTS

View and download statements and trade confirmations or sign up for eDelivery for digital access to all of your documents.

With full visibility of your assets and liabilities all in one place, you and your Financial Advisor can obtain a comprehensive view of your total wealth to help you track your goals or start planning for your future using cutting-edge technology.

Convenient Connectivity

Available on your desktop, mobile and tablet, this new feature will be conveniently integrated into Morgan Stanley Online and the Morgan Stanley App.

More Informed Wealth Planning

You and your Financial Advisor can now make more informed decisions and identify opportunities with respect to your Morgan Stanley accounts in order to help you achieve your goals.

Safe and Secure Data Access

Our highest priority is keeping your information protected. Morgan Stanley dedicates significant resources to protecting your assets and personal information.
