Source: Forbes.com (April 2024) 2024 *Forbes* America's Top Wealth Advisors and Best-In-State Wealth Advisors rankings awarded in 2024. This ranking was determined based on an evaluation process conducted by SHOOK Research LLC (the research company) in partnership with *Forbes* (the publisher) for the period from 6/30/22–6/30/23. Neither Morgan Stanley Smith Barney LLC nor its Financial Advisors or Private Wealth Advisors paid a fee to SHOOK Research LLC for placement on its rankings. This ranking is based on in-person and telephone due diligence meetings to evaluate each Financial Advisor qualitatively, a major component of a ranking algorithm that includes client retention, industry experience, review of compliance records, firm nominations, and quantitative criteria, including assets under management and revenue generated for their firms. Investment performance is not a criterion. Rankings are based on the opinions of SHOOK Research LLC and may not be representative of any one client's experience; investors must carefully choose the right Financial Advisor or team for their own situation and perform their own due diligence. This ranking is not indicative of the Financial Advisor's future performance. Morgan Stanley Smith Barney LLC is not affiliated with SHOOK Research LLC, or *Forbes*.
