TRUSTHOUSE

TRUSTHOUSE

Managing the intricacies of health care for aging parents can be challenging, especially when juggling professional and personal responsibilities.

TrustHouse's Wellness Program offers peace of mind to individuals and their families through frequent wellness check-ins.

Overview

- **Initial assessment** – A comprehensive health evaluation enables us to create a care plan specific to each client's needs.
- **Frequent RN visits** – Regularly scheduled visits from our registered nurses help us monitor conditions, manage emerging health issues, and provide companionship.
- **Vital checks** – Consistent assessments of vital signs ensure we can help address emerging health issues and adjust care plans accordingly.
- **Medication management** – TrustHouse nurses organize medications to ensure adherence and implement any needed changes.
- **Continual updates** – Our nurses communicate regularly with family members, physicians, and health care proxies to provide updates and share new information.
- **Access to a trusted medical network** – All TrustHouse clients have access to our exclusive network of elite, pre-approved health care and wellness professionals.
- **24/7 coverage** – Our wellness program includes around-the-clock phone access to private duty nurses for immediate support outside of regular visits.

Aging gracefully can be a challenge. But with bespoke, in-home wellness visits, clients can enjoy continued quality of life in familiar surroundings.

Benefits

- **Early detection** – Our preventative approach focuses on the early detection of health issues, allowing for timely intervention to prevent escalation.
- **Tailored visits** – TrustHouse nurses customize each visit to meet the client's specific needs, guaranteeing the highest standard of care and attention.
- **Peace of mind** – Our Wellness Program reduces the frequency of trips to medical facilities, alleviating stress for family members, and saving time and money.
- **Comprehensive information** – Continuous updates and education from a dedicated registered nurse empower families to make more informed health decisions.
- **Mental and emotional support** – Our Wellness Program includes psychological and emotional support from compassionate, professional nurses.
- **Long-term wellness** – Consistent health monitoring helps expand clients' quality of life and reduces future medical complications.
- **Privacy and dignity** – All TrustHouse nurses provide respectful and discreet support, ensuring that clients receive hospital-grade care in the privacy of their own homes.
