Access to Genealogical Services

Bringing Your Family's History to Life

Your family's history is a wellspring of fascinating stories and an important mechanism for passing down values and priorities from one generation to the next. It can help to reunite families that have grown apart, and provide everyone in your extended family with a better sense of who they are and where they are from. Through an arrangement with leading genealogical services, Lifestyle Advisory and your Financial Advisor can provide access to experienced professionals who can help bring your family's story to life.

ACCESS TO EXPERTS

Morgan Stanley's Lifestyle Advisory has established relationships with prominent national firms to provide direct access to the finest researchers, genealogists and family storytellers in the country. These top professionals include accomplished academics in historical, genealogical and DNA research, all working to piece together the narratives of your family stories into the rich tapestry of relevant world events.

GENEALOGICAL SERVICES

- Unique and extensive genealogical family portraits, including any number of pictures, maps, articles and other pertinent records uncovered in the research process
- A narrative portrayal of the family's journey through history written by Emmy award-winning filmmakers, published authors and/or academic historians
- Presentation of your family's story in any format you desire, from bespoke ancestral encyclopedias to physical journeys through your family's past
- Creation of family crests, coats of arms and family trees
- Compilation of family archives, collections or libraries
- Searches for lost family members
- Special services for adoptees and birthparents who wish to reconnect or find out more about their biological family
- Location and reacquisition of family artifacts and heirlooms

Give your family's story the attention it deserves.
