² Wealth and Estate Planning Strategists may provide tax, trust and estate planning strategies. The core functions of the Wealth and Estate Planning Strategists include apprising clients of general estate and income tax planning issues and assisting to ensure that the client's investment strategy discussed with the Private Wealth Advisor is aligned with the client's estate plan. The services of Wealth and Estate Planning Strategists complement and support the client's relationship with the Private Wealth Advisor and tax and/or legal advisor but do not replace the client's relationship with his or her tax and legal teams. Although they may be admitted attorneys, Wealth and Estate Planning Strategists and other Estate Planning Strategies personnel holding legal degrees are acting purely in a non-representative capacity. Neither they or Morgan Stanley provide tax or legal advice to clients or to Morgan Stanley.
