Where Are Today's Opportunities?

You're Invited

The last few years of ups and downs, low rates and global realignments all complicate the question: *Where do I put my money?* At this timely seminar, we'll talk about the economy, where it may be headed and which sectors are best positioned to potentially benefit.

The appropriateness of a particular investment or strategy will depend on an investor's individual circumstances and objectives. Principal value and return of an investment will fluctuate with changes in market conditions. Estimates of future performance are based on assumptions that may not be realized. For any potential forward-looking statements, there can be no guarantee that they will come to pass.

Because of their narrow focus, sector investments tend to be more volatile than investments that diversify across many sectors and companies.

Mutual funds are subject to market risks, including possible loss of principal.

Investors should carefully consider the investment objectives, risks, fees, charges and expenses of a mutual fund before investing. The prospectus contains this and other information about the mutual fund. To obtain a prospectus, contact your Financial Advisor or visit the mutual fund company's website. Please read the prospectus carefully before investing.

Tax laws are complex and subject to change. Morgan Stanley Smith Barney LLC ("Morgan Stanley"), its affiliates and Morgan Stanley Financial Advisors or Private Wealth Advisors do not provide tax or legal advice. Individuals are urged to consult their personal tax or legal advisors to understand the tax and legal consequences of any actions, including any implementation of any strategies or investments described herein.
